

May 2022

Supplies for plein air painting/ Pastel

This is what I bring no matter what:

Box of pastels

Tripod to hold box

Paper, either mounted on foamcore or clipped to a piece of foamcore

Charcoal stick

Bowl, bottle of water, soft brush for underpainting

Viewcatcher (you can also use your phone or a little piece of cardboard with a rectangle cut into it)

A few old acrylic bristle brushes to brush off mistakes

Kneaded eraser

Kleenex

Gloves

Apron

Hat

Bug spray

Sunblock

I know not everyone will have a tripod/box setup on hand. If you prefer to paint while seated in a picnic shelter, bring a little table easel. You can even sit out in a folding chair or on a park bench with a big towel on your lap & hold your painting on your lap. The towel can hold the pastels you're using.

For the May 18 class session you won't need the last 3 items.

If you have any questions please don't hesitate to email me dianegruras@outlook.com.

See you May 18 at MAL!
