It really does not take much to create a beautiful painting!

## Yupo Workshop Supply List:

1. **YUPO paper** (I'd like you to try big pieces, 11 x 14 is ok, but really the bigger the paper the easier it is, yupo is available on line (Jerry's Artorama, or Cheap Joe's) or at Dick Blick in Shadyside. (I use 144 pound 20" x 26" )
2. **watercolor paint** or even thinned acrylic paints will work.
3. **Brushes** (I use a 1 Inch and 1/2 inch flat brush a lot) any flat or round brushes, but have some bigger ones
4. **3.5 inch foam sponge roller** (Ace hardware) a couple of them ( I use these a lot)
