MERCHANDISE ART

No cards or bin art for this show.

SCREENING OF ART

Screening will be done using the image you upload so be sure to use a good quality image. Not all work may be accepted by ARC. The juror will be designating work as either Selected Group A, Selected Group B, or Not Selected. Selected Group A means the work will be hung initially. Selected Group B means work should be delivered to the venue (not at the screening) wrapped in bubble wrap and will be available to be hung should a spot become available. Not Selected indicates work was not selected to be used. Note that artists will be required to sign an Art Consignment Agreement at drop-off which outlines the terms of the exhibit.

DROPOFF OF ART AT VENUE

Wednesday, June 29, 10-noon at ARC Human Services at 111 W. Pike St., Canonsburg, PA 15317. **Attach a tag showing Artist's Name and title to the back of work. If you had work in the previous show, you may pick it up at this time.** You may park in the library parking lot, which is a pay lot (you may be able to park briefly without paying to drop off work if you put your flashers on) and enter through the basement door of ARC. The artist will deliver the work to be hung by the show chairs. Works designated as Selected Group B must be bubble-wrapped for storage at ARC until it is needed, with a tag securely fastened to the outside of the wrapping indicating Artist's Name and artwork Title. Consider making a bubble wrap "envelope" using packing tape for ease of use and reuse.
