PRESIDENT'S NOTES

When I wrote the article for last month's newsletter, I honestly thought it would be the final one, yet here I am, penning yet another. It is strange to think that a year has gone by already. (I am still trying to wrap my head around it being the end of April). And what a year it has been! There were so many celebrations and get-to-gethers as we celebrated our 50th Anniversary; it's absolutely mind boggling! June is fast approaching, and with it the transition into a new year with a new leadership team (with quite a few of our tried and true regulars sticking around). The New Year promises to be a great one! With my final words, I think Shakespeare said it best: "Good night, good night! Parting is such sweet sorrow, that I shall say good night till it be morrow."

PETERS TOWNSHIP COMMUNITY DAY

Do you love to meet new people? Do you have a great sense of community spirit? Then we have the perfect job for you!

Peters Township Community Day is fast approaching, and we are in desperate need of your help to chair this event! Last year we participated and had a great time meeting new people and bringing awareness of our League to many who didn't even know we existed. All

of the great spots are disappearing so we will need an answer as soon as possible. Chairing the event is much simpler than a show because it really only entails setting up a table and a tent and talking with people for a few hours.

Interested parties should email president@mcmurrayartleague.com for more information.

TWO SUMMERTIME EXHIBITS AT THE MAL STUDIO GALLERY

"Clotheslines Art" will be hung on Thursday, May 26 with take down on July 21. A reception will be held on Friday, June 3 from 6-8 PM.

"Fun In The Sun" will hang on Thursday, July 21 with take down on September 24. A reception will be held on Friday, July 22 from 6-8 PM.

Delivery for hanging is 5-6 PM. Send in your tag info a minimum of one week before the show. Please sign-up and send tag information (artist, title, medium, price, size) to Darlene Sanders at darleneganders@yahoo.com or 724-743-9197.

What is Clothesline Art? Art that is "naked"-- not matted or framed! We will hang the light weight art with clothespins on clotheslines hung along the studio walls (no stretched canvases as they are too thick for the clothespins. The canvas could be removed from the wood stretchers if you want to hang it in this show). So dig out those paintings/drawings/photos/prints that haven't been framed or matted and show them at the next themed exhibit show. Prices can be lower without the frames. This show was very popular last year with requests for it to return this summer. Please sign up by May 19.

Please sign up for "Fun In The Sun" by July 14. With this show, we are back with art work following our show standards using frames and mats, etc. This theme is a happy theme that can be interpreted broadly to include outdoors, summer fun or even a sunny skiing, bright colors or pastels. Use your sunny imagination to brighten our studio!

If you have any questions, contact Jen Brinkle, Linda Saksa, and Darlene Sanders, the summer show team. Volunteers are needed to help with the receptions. Purchases made at the receptions will be get a 10% discount on the posted price (MAL's commission). This would not affect what the artist's receives for their art sold.

FALL SHOW CHAIRS NEEDED

MAL needs members to offer to run the 2016 Fall Show. The Fall Show Chairs organize a non-juried exhibit and sale at the Galleria. The date of the fall show will be October 7 to October 16. Anyone willing to volunteer to serve in this position are asked to contact the Co-Presidents Darla Tsupros or Anne Trimble. As show chairs you are on the

board. There is a complete outline and directions on setting up the show which helps to coordinate this event. Theresa Bozzo is willing to work with the co-chairs in the planning of the show. There are always a lot of members who pitch in and help set up this function so that it is not an overwhelming project.

IN MEMORY OF EDWARD J. PERMAR, JR.

It with great sadness that we learned our long time member, Ed Permar, passed away from complications of Parkinson's Disease. We all remember Ed taking many classes developing his artist skills. As his disease progressed, his wife Phyllis brought him to meetings and functions so he could continue being an active member.

In addition to his painting skills, he enjoyed wood working in his home shop, genealogy and ballroom dancing. He and his wife traveled around the world and had many interests.

Ed graduated from Greensburg High School, received a Bachelor's Degree from St. Vincent College and a Master from the University of Pittsburgh. He retired from the University after 30 years as a Mechanical Engineer.

Ed and Phyllis have two sons and three grandchildren that he and Phyllis enjoyed babysitting together. He will be greatly missed and always remembered by his friends in the art league. We extend our deepest sympathy to his family.
