

**TO PROVIDE AND STIMULATE FOCUS ON THE ARTS**

[www.mcmurrayartleague.com](http://www.mcmurrayartleague.com)

**FROM THE DESK OF THE CO-PRESIDENT**

**It is a joy to be a part of McMurray Art League.** Over the past few months I have had many meaningful conversations with **MAL** members about the future of the League. I'm including some of my favorite comments from a few of those conversations...

- "Let's have some FUN!" was the most joyous statement.
- When I asked, "Would you be willing to make a donation of \$10 a month for a year toward the HVAC purchase?" The member's answer was, "I'll donate \$20 x 12 upfront!" His check for \$240 soon arrived.
- One of our newest members joined the studio prep crew and the next day dropped off new outlet covers, saying, "Here's a contribution that will help make the studio look fresher!"
- A board member who stopped by while the studio was being painted said, "The new color makes the studio look so much larger! I can't wait to get things reorganized. Maybe our first exhibit could be themed SPRING INTO THE FUTURE!"

These are only a few of the comments reflecting the excitement about **MAL's** facelift, programming possibilities, and potential. I look forward to many more ideas generated during other conversations about the use of the studio. Please read the whole newsletter and then plug in wherever you can. You have the opportunity to participate in making the league VITAL as we PROMOTE THE ARTS (and have some FUN)!

**NEWS IN MAL**

Important Announcement

Per our arrangement with Mosites, we need to make sure we abide with their request that we park away from spaces that their other tenants need.

**All MAL members and guests visiting the Studio must park between Key Bank and the Dollar Tree Store.**

We are allowed to off-load materials temporarily parking near the **Studio**, but we need to move all vehicles to the designated spaces after off-loading. We are working with Mosites to address parking for members with mobility or accessibility problems.

**COVID-19 PRECAUTIONS**

Please follow current Covid-19 guidelines. Thank you.

## STUDIO UPDATE - 2024 LEASE AND HVAC REPLACEMENT

We have a fully executed lease from Mosites for the 2024 calendar year. We tried to get a multi-year lease but Mosites would only offer a one-year lease. They've given us a new lease every year so we're not particularly worried about ending up on the street. Once we had a signed 2024 lease, we scheduled the HVAC replacement. We used Denillo Heating & Cooling as they gave us the best price. We even got them to take 3% off the total since we were writing a check rather than charging it! The HVAC replacement was accomplished on February

13 and took just a few hours. It was quite interesting to watch them use a huge crane to lower the old unit and lift the new unit to the roof.

## "NEW LOOK" FOR THE STUDIO!

In December the **MAL Board** voted to spend up to \$500 on paint and improvements to make the studio more attractive and inviting. Following the signing of our 2024 lease, paint was purchased from PPG Paints. (They were very generous, donating 3 of the 6 gallons of paint used in the project. Jan and Jim Pini are former PPG employees, so they got **MAL** a substantial discount also!) A team of members

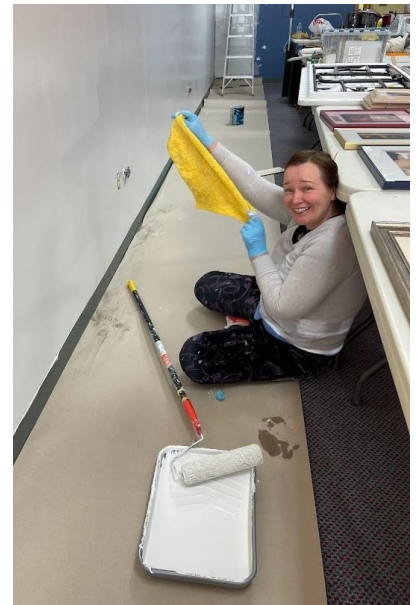

prepared the studio by moving all the furniture, cleaning the baseboards and patching holes in the walls.

Then, **Superstar Lana Sakharova started to paint the walls.** Not only has she generously donated many, many hours of her time, she also donated some of the paint used in the project. Be sure to thank her for all she is doing to make the studio shine! Over the course of a couple of weeks in February, each room of the studio was transformed with multiple coats of paint, repurposed furniture, and reorganization of studio "stuff". The result is **STUNNING** - a much more inviting studio space! **Come and check it out!**

**MAL STUDIO CELEBRATION** – Friday, April 26th 4 – 8 pm and Saturday, April 27th 11 – 2 pm  
"Spring Into the Future" Exhibit and Celebration of **MCMURRAY ART LEAGUE**.

Plans are in the works for a gala event celebrating the new look at the studio! It's a chance to show off **MAL's** new look, share some refreshments, and for artists and art patrons to mix and mingle. The theme of the show will be "Spring Into the Future." Members can submit 2 pieces of 2-D artwork to be included in the show. **MAL** members are encouraged to submit pieces that will be for sale. (If your art from the Galleria Spring Show did not sell, you can bring that work for inclusion in this show). Mark your calendar **NOW** for this very special event. Details will be available soon on the **MAL website**.

## **ART LEAGUE REBOOT BRAINSTORMING SESSIONS**

On February 8 a group of members (Lolly Owens, Lana Sakharova, Karen Vituccio, Toni Jo Kidd, Linda Saksa, Jan Pini and Sandy Conley) met for an hour to talk about possibilities for expanding programming and growing the art league.

**Many ideas were generated.** These were categorized into Fundraising Efforts (9); Recruitment of Artists (4); Community Awareness (6); New Activities (8). This first session was an effort to quickly list as many ideas as possible. In the next sessions decisions will be made based on these and possibly other ideas.

Our next **ReBoot Session** will be held Wednesday, March 13, 6:30 – 8:00 pm at the studio. **All members are invited to this meeting as we work on shaping the future of MAL.**

**STUDIO WINDOW EXHIBIT**

**Marlene Boas** will be displaying her most recent endeavor in the display window for the month of March. Her new body of work is 3D figurative Assemblage. Each piece begins as a discarded mannequin who experiences rebirth by way of artistic midwifery. Through a process of adornment of found objects and upcycled materials, the figures are reawakened and brought back to life with purpose: saying something salient through their deafening silence. For Marlene, making art is a contemplative practice where a kernel of an idea is encouraged to gestate, grow, change, and transform until it becomes what it was meant to be.

The **McMurray Art League** studio is located in the McDowell Shops shopping center between Opal Rose and Cedars Restaurant. Please contact me via phone at 412-860-9049 or email me at [Klvituccio@gmail.com](mailto:Klvituccio@gmail.com) if you are interested in displaying your work in the window.

## NEW BOARD POSITIONS

The **MAL Board** is considering adding several new positions to encourage more participation from our membership and handle all the new initiatives we have planned. Please consider taking on one of these positions. We have monthly Board meetings via Zoom so you don't even have to change out of your PJs!

- **Presenters** – Responsible for inviting presenters to speak at our seven General Membership meetings. **Coordinates with Class Coordinator**. (This is the previous "Programs" position).
- **Programs** – Responsible for coordinating new programs, such as **CAFEs, Art Talks**, and any other new initiatives we come up with. This would be a committee chair position with a committee of people who would handle each initiative.
- **Member At Large** – There could be several of these. This position may not have any direct responsibilities but attends meetings and offers guidance to the Board.

### SUE LEVY BEGINNER TO INTERMEDIATE WATERCOLOR ARTISTS

**APRIL 23, 30 and MAY 7, 14**

A great class for beginner to intermediate watercolor artists! To the artist, Spring is a palette of color explosion to paint and we immediately think of what paint colors to mix and the techniques to capture these vibrant colors. Drawing is important to plan the design and composition using a sketchbook, then the real fun begins when we put the drawing on paper and begin to paint. Come join me on this art adventure of learning to paint spring by learning the following watercolor composition and techniques, perspectives, depth, atmosphere and values.

Have you ever investigated the beautiful graphics on the U.S. postage stamps? Have you ever given any thought about the artist who creates it? The Museum states "Through the preservation and interpretation of our postal and philatelic collections, the Smithsonian National Postal Museum educates, challenges, and inspires its audiences on the breadth of American experiences". ## MAL'S MARCH FEATURED ARTIST

**Rosetta Dufalla** is **MAL's** Corresponding Secretary, but she also does much more than that. She "sweet talks" art shops and distributors into donating gifts to **MAL!** Thanks to Rosetta, there are prizes of gift cards and money available to award to winners of our Juried Art Events and for any other special events that **MAL** arranges for our membership.

Rosetta says "This painting *"Enter the Dragonfly"* is 10x20, and is mixed media/abstract. The dragonfly is symbolic for rebirth and, in the Native American culture, it means something magical and mysterious. The metallic background serves as something mysterious for the swirling dragonflies; constant movement and change".
