

McMurray Art League

College Scholarship Application

The McMurray Art League awards a scholarship each year to a graduating senior of Peters Township High School or a student family member of the McMurray Art League. The student should be planning to attend college or art school in the fall, with the intent to major in one of the following areas: Fine Arts, Art Education, Graphic Design, or Architecture. All eligible applicants are required to supply the following information, which will be kept confidential.

Students must submit this completed application, a portfolio of four to six pieces of finished art completed within the last four years, an artist statement, as well as two letters of recommendation (see "Requirements" section below). These will be evaluated by the McMurray Art League Scholarship Committee.

The student chosen will receive the Bunky Mosites Memorial Scholarship Award for \$500.00. The recipient must allow one to two pieces of artwork, chosen by the committee, to be displayed at the art league Spring exhibit at the Peters Township Library or online. The student will also receive a one year membership to the McMurray Art League, which allows them to submit work for any leagues shows, display work at the Peters Township Library shows, and take discounted classes through the league with local and nationally recognized artists.

The scholarship submission due date is Tuesday, May 4, 2021. If you have questions, please contact the Scholarship Chair listed below. Art League family members should contact Scholarship Chair for judging location directions.
